## Detailed description of rebuilt – 110 Tons Crane

## **Mobile Crane Petti bone – 1979**

2015.  New boom and working lights (Dell)2015  All hydraulic hoses truck frame and crane components renewed 2014	Bottom lifting block = 5 new sheaves,	Renew hydraulic oil + 3 filters on tank 2015
Front boom sheaves front 6 new sheaves, 6 new bearings.  6 new bearings.  6 new bearings.  6 new bearings.  Coreased when serviced each quarterly  Rear top 6 new sheaves, 6 new bearings.  New bushing and pins bottom of boom 2015.  New boom cable 2015  New block cable 2015  New lifting balance 2014  New lifting balance 2014  New boom and working lights (Dell)2015  New BBB motor air cleaner with Donaldson Filter 2015  New hydraulic cooling fan 2015  Cut and modify hydraulic tank 2014  New engine enclosure (Aluminum) 2014  New engine enclosure (Aluminum) 2014  New boom winch 2015  New boom winch 2015  Renew fuel tank for crane cab heater new 2015  Renew fuel tank for crane cab heater 2015  Renew fuel tank for crane cab heater 2015  New anti-block to block limit switch 2014		
Front boom sheaves front 6 new sheaves, 6 new bearings.  6 new bearings.  6 new bearings.  6 new bearings.  Coreased when serviced each quarterly  Rear top 6 new sheaves, 6 new bearings.  New bushing and pins bottom of boom 2015.  New boom cable 2015  New block cable 2015  New lifting balance 2014  New lifting balance 2014  New boom and working lights (Dell)2015  New BBB motor air cleaner with Donaldson Filter 2015  New hydraulic cooling fan 2015  Cut and modify hydraulic tank 2014  New engine enclosure (Aluminum) 2014  New brakes front and back 2015  New boom winch 2015  Replace motor with a cat c-12. + Rebuilt computer from cat. 2014  Renew fuel tank (Aluminum) 2014  Renew exhaust system 2014  Renew exhaust system 2014  Senew exhaust system 2014  All windows front cab, crane cab renewed 2014  Swivel for crane rotation removed and rebuilt 2015.  All hydraulic hoses truck frame and crane components renewed 2014  Extendible riggers hydraulic cylinders removed and rebuilt 2014  Hydraulic rams removed and rebuilt 2014  Hydraulic controls (Air valves replaced or rebuilt) 2014  New air dryer 2014  New wipers 2015  Renew fuel tank for crane cab heater new 2015  Renew fuel tank for crane cab heater 2015  New anti-block to block limit switch 2014	· ·	
6 new bearings.  2014 Greased when serviced each quarterly Rear top 6 new sheaves, 6 new bearings.  Renew fuel tank (Aluminum) 2014 Renew exhaust system 2014 2015.  New boom cable 2015  New block cable 2015  New block cable 2015  New lifting balance 2014  New lifting balance 2014  New boom and working lights (Dell)2015  New Beb motor air cleaner with Donaldson Filter 2015  New hydraulic cooling fan 2015  Cut and modify hydraulic tank 2014  New engine enclosure (Aluminum) 2014  New engine enclosure (Aluminum) 2014  New brakes front and back 2015  Replace motor with a cat c-12. + Rebuilt computer from cat. 2014		
Greased when serviced each quarterly Rear top 6 new sheaves, 6 new bearings.  New bushing and pins bottom of boom 2015.  New boom cable 2015  New block cable 2015  New block cable 2015  New lifting balance 2014  New lifting balance 2014  New boom and working lights (Dell)2015  New EBB motor air cleaner with Donaldson Filter 2015  New hydraulic cooling fan 2015  New hydraulic cooling fan 2015  Cut and modify hydraulic tank 2014  New engine enclosure (Aluminum) 2014  New brakes front and back 2015  New boom winch 2015  Replace motor with a cat c-12. + Rebuilt computer from cat.2014  Remew exhaust system 2014  Renew exhaust system 2014  Renew exhaust system 2014  All windows front cab, crane cab renewed 2014  Swivel for crane rotation removed and rebuilt 2015.  All hydraulic hoses truck frame and crane components renewed 2014  Extendible riggers hydraulic cylinders remove and rebuilt 2014  Hydraulic controls (Air valves replaced or rebuilt) 2014  New air dryer 2014  New wipers 2015  New boom winch 2015  Renew fuel tank for crane cab heater new 2015  Replace motor with a cat c-12. + Rebuilt computer from cat.2014		Front and rear high rail have New bearings
Rear top 6 new sheaves, 6 new bearings.  New bushing and pins bottom of boom 2015.  New boom cable 2015 Boom + pins, riggers, etc. tested 10/2016.  New block cable 2015 All windows front cab, crane cab renewed 2014  New lifting balance 2014 Swivel for crane rotation removed and rebuil 2015.  New boom and working lights (Dell)2015 All hydraulic hoses truck frame and crane components renewed 2014  New EBB motor air cleaner with Donaldson Extendible riggers hydraulic cylinders remove and rebuilt 2015  New hydraulic cooling fan 2015 Hydraulic rams removed and rebuilt 2014  Cut and modify hydraulic tank 2014 Hydraulic controls (Air valves replaced or rebuilt) 2014  New engine enclosure (Aluminum) 2014 New air dryer 2014  2 new equipment boxes (steel) 2014 New wipers 2015  New brakes front and back 2015 Wabash crane cab heater new 2015  Replace motor with a cat c-12. + Rebuilt computer from cat.2014	6 new bearings.	
New bushing and pins bottom of boom 2015.  New boom cable 2015 Boom + pins, riggers, etc. tested 10/2016.  New block cable 2015 All windows front cab, crane cab renewed 2014  New lifting balance 2014 Swivel for crane rotation removed and rebuil 2015.  New boom and working lights (Dell)2015 All hydraulic hoses truck frame and crane components renewed 2014  New EBB motor air cleaner with Donaldson Extendible riggers hydraulic cylinders remove and rebuilt 2015  New hydraulic cooling fan 2015 Hydraulic rams removed and rebuilt 2014  Cut and modify hydraulic tank 2014 Hydraulic controls (Air valves replaced or rebuilt) 2014  New engine enclosure (Aluminum) 2014 New air dryer 2014  2 new equipment boxes (steel) 2014 New wipers 2015  New brakes front and back 2015 Wabash crane cab heater new 2015  Replace motor with a cat c-12. + Rebuilt computer from cat.2014		
2015.  New boom cable 2015  New block cable 2015  New lifting balance 2014  New lifting balance 2014  New boom and working lights (Dell)2015  New EBB motor air cleaner with Donaldson Filter 2015  New hydraulic cooling fan 2015  New hydraulic tank 2014  Cut and modify hydraulic tank 2014  New engine enclosure (Aluminum) 2014  2 new equipment boxes (steel) 2014  New brakes front and back 2015  New boom winch 2015  Replace motor with a cat c-12. + Rebuilt computer from cat.2014  All windows front cab, crane cab renewed 2014  Swivel for crane rotation removed and rebuilt 2015.  All hydraulic hoses truck frame and crane components renewed 2014  Extendible riggers hydraulic cylinders remove and rebuilt 2014  Hydraulic rams removed and rebuilt 2014  Hydraulic controls (Air valves replaced or rebuilt) 2014  New air dryer 2014  New wipers 2015  New boom winch 2015  Renew fuel tank for crane cab heater 2015  New anti-block to block limit switch 2014  New anti-block to block limit switch 2014		Renew fuel tank (Aluminum) 2014
New block cable 2015  All windows front cab, crane cab renewed 2014  Swivel for crane rotation removed and rebuilt 2015.  New boom and working lights (Dell)2015  All hydraulic hoses truck frame and crane components renewed 2014  New EBB motor air cleaner with Donaldson Filter 2015  New hydraulic cooling fan 2015  Cut and modify hydraulic tank 2014  New engine enclosure (Aluminum) 2014  New equipment boxes (steel) 2014  New brakes front and back 2015  New boom winch 2015  Replace motor with a cat c-12. + Rebuilt computer from cat.2014		Renew exhaust system 2014
New lifting balance 2014  Swivel for crane rotation removed and rebuilt 2015.  New boom and working lights (Dell)2015  All hydraulic hoses truck frame and crane components renewed 2014  New EBB motor air cleaner with Donaldson Extendible riggers hydraulic cylinders remove and rebuilt 2014  New hydraulic cooling fan 2015  Hydraulic rams removed and rebuilt 2014  Cut and modify hydraulic tank 2014  New engine enclosure (Aluminum) 2014  New engine enclosure (Aluminum) 2014  New air dryer 2014  New wipers 2015  New brakes front and back 2015  New boom winch 2015  Replace motor with a cat c-12. + Rebuilt computer from cat.2014	New boom cable 2015	Boom + pins, riggers, etc. tested 10/2016.
New lifting balance 2014  Swivel for crane rotation removed and rebuilt 2015.  New boom and working lights (Dell)2015  All hydraulic hoses truck frame and crane components renewed 2014  New EBB motor air cleaner with Donaldson Filter 2015  New hydraulic cooling fan 2015  Cut and modify hydraulic tank 2014  New engine enclosure (Aluminum) 2014  New equipment boxes (steel) 2014  New brakes front and back 2015  New boom winch 2015  Replace motor with a cat c-12. + Rebuilt computer from cat.2014	New block cable 2015	All windows front cab, crane cab renewed
New boom and working lights (Dell)2015  All hydraulic hoses truck frame and crane components renewed 2014  New EBB motor air cleaner with Donaldson Filter 2015  New hydraulic cooling fan 2015  Cut and modify hydraulic tank 2014  New engine enclosure (Aluminum) 2014  New equipment boxes (steel) 2014  New brakes front and back 2015  New boom winch 2015  Replace motor with a cat c-12. + Rebuilt computer from cat.2014		2014
New boom and working lights (Dell)2015  All hydraulic hoses truck frame and crane components renewed 2014  New EBB motor air cleaner with Donaldson Filter 2015  New hydraulic cooling fan 2015  Cut and modify hydraulic tank 2014  New engine enclosure (Aluminum) 2014  New equipment boxes (steel) 2014  New brakes front and back 2015  New boom winch 2015  Replace motor with a cat c-12. + Rebuilt computer from cat.2014  All hydraulic hoses truck frame and crane components renewed 2014  Extendible riggers hydraulic cylinders removed and rebuilt 2014  Hydraulic controls (Air valves replaced or rebuilt) 2014  New air dryer 2014  New wipers 2015  Wabash crane cab heater new 2015  Renew fuel tank for crane cab heater 2015  New anti-block to block limit switch 2014	New lifting balance 2014	Swivel for crane rotation removed and rebuilt
Components renewed 2014  New EBB motor air cleaner with Donaldson Filter 2015  New hydraulic cooling fan 2015  Cut and modify hydraulic tank 2014  New engine enclosure (Aluminum) 2014  Pew equipment boxes (steel) 2014  New brakes front and back 2015  New boom winch 2015  Replace motor with a cat c-12. + Rebuilt computer from cat.2014  Extendible riggers hydraulic cylinders remove and rebuilt 2014  Hydraulic rams removed and rebuilt 2014  Hydraulic controls (Air valves replaced or rebuilt) 2014  New air dryer 2014  New wipers 2015  Wabash crane cab heater new 2015  Renew fuel tank for crane cab heater 2015  New anti-block to block limit switch 2014		2015.
New EBB motor air cleaner with Donaldson Filter 2015  New hydraulic cooling fan 2015  Cut and modify hydraulic tank 2014  New engine enclosure (Aluminum) 2014  2 new equipment boxes (steel) 2014  New brakes front and back 2015  New boom winch 2015  Replace motor with a cat c-12. + Rebuilt computer from cat.2014  Extendible riggers hydraulic cylinders remove and rebuilt 2014  Hydraulic controls (Air valves replaced or rebuilt) 2014  New air dryer 2014  New wipers 2015  Wabash crane cab heater new 2015  Renew fuel tank for crane cab heater 2015  New anti-block to block limit switch 2014	New boom and working lights (Dell)2015	All hydraulic hoses truck frame and crane
Filter 2015 and rebuilt 2014  New hydraulic cooling fan 2015 Hydraulic rams removed and rebuilt 2014  Cut and modify hydraulic tank 2014 Hydraulic controls (Air valves replaced or rebuilt) 2014  New engine enclosure (Aluminum) 2014 New air dryer 2014  2 new equipment boxes (steel) 2014 New wipers 2015  New brakes front and back 2015 Wabash crane cab heater new 2015  New boom winch 2015 Renew fuel tank for crane cab heater 2015  Replace motor with a cat c-12. + Rebuilt computer from cat.2014		components renewed 2014
New hydraulic cooling fan 2015  Cut and modify hydraulic tank 2014  New engine enclosure (Aluminum) 2014  2 new equipment boxes (steel) 2014  New brakes front and back 2015  New boom winch 2015  Replace motor with a cat c-12. + Rebuilt computer from cat.2014  Hydraulic rams removed and rebuilt 2014  Hydraulic controls (Air valves replaced or rebuilt) 2014  New air dryer 2014  New wipers 2015  Wabash crane cab heater new 2015  Renew fuel tank for crane cab heater 2015  New anti-block to block limit switch 2014	New EBB motor air cleaner with Donaldson	Extendible riggers hydraulic cylinders removed
Cut and modify hydraulic tank 2014  New engine enclosure (Aluminum) 2014  2 new equipment boxes (steel) 2014  New brakes front and back 2015  New boom winch 2015  Replace motor with a cat c-12. + Rebuilt computer from cat.2014  Hydraulic controls (Air valves replaced or rebuilt) 2014  New air dryer 2014  New wipers 2015  Wabash crane cab heater new 2015  Renew fuel tank for crane cab heater 2015  New anti-block to block limit switch 2014	Filter 2015	and rebuilt 2014
